

Fumifugi

BIO

Formed in 2024, Fumifugi is a Berlin based 4-piece blending Post-Punk / Rock aesthetics with the genres of Fusion and Psychedelic.

Inspired by the 1661 pamphlet:

"Fumifugium, or, The inconvenience of the aer and smoak of London"

the group recreates this sense of urgency, intoxication, with every moment of performance.

IMPRESSIONS

Seconds tick, enveloped by dark and smokey spaces

**Sound reverberates,
You breath in,
Inhaling scents
From like minded bodies,**

Sweat

The formation of lives

Dance, ritual, a performance both poised and prepared while also improvised. The structure?

Fumifugi.
